- Merit-based promotions and incentives
- 20 paid vacation days plus paid public holidays
- Health insurance
- Staff Engagement Activities
- Flexible working hours
- Satisfaction of working on tough problems that make a difference

Working with us as an Intern

Are you a code junkie or passionate about new product ideas? Are you a number cruncher or a sales dynamite? Does food security and agricultural issues bother you? Did you ever dream of working in a competitive fun environment in Africa? If your answer to any of the above questions is yes, then Esoko is the place to be. Esoko is a social impact business committed to improving people's lives through innovative technology. We are a professional, fun, open and smart team of about 40 people designing new products and ideas based on what agri-business, projects, and farmers tell us they need. If you would like the opportunity to apply classroom learning to real-world experience then [please apply here](#). We may decide to pay you a small stipend at the end of your internship, that is if you charm us with your smartness. A minimum period of internship is 3 months.

- College Degree/Education in a relevant field required
- Minimum commitment of six months (intl), three months (local)
- Should be curious, fun, hard working, creative
